(other verses/choruses as above)

Some people have to be  
 Permanently together  
 Lovers devoted to  
 Each other forever  
 Now I ve got things to do  
 And I ve said before that I know you have too  
 When I m not there  
 In spirit I ll be there

Here is a plea  
From my heart to you  
Nobody knows me  
As well as you do  
You know how hard it is for me  
To shake the disease  
That takes hold of my tongue  
In situations like these.

Understand me
