

Sun The Rainfall
Depeche Mode

Em **G**
Someone will call
Am
Something will fall
C
And smash on the floor

Without reading the text
Know what comes next
Seen it before
And it s painful

G
Things must change
Bm **G**
We must rearrange them
Em **C** **Am**
Or we ll have to estrange them
Em
All that I m saying
G
The game s not worth playing
Am **C**
Over and over again
