**Gm**  
They were raining from the sky  
Exploding in my heart  
Is this a love in disguise  
Or just a form of modern art

**Dm** **A#**  
From the skies you could almost hear them cry  
**D#** **Dm**  
Tora Tora Tora

In the town they were going down  
**D#** **Dm**  
Tora Tora Tora

*verse 2*

I had a nightmare only yesterday  
You played a skeleton  
You took my love then died that day  
I played an American
