Waiting For The Night
Depeche Mode

```
(intro)
E|----------------------------------
B|----------------------------------11-
G|-12------12------12------12-------
D|------10----10--------10----10----
A|----------------------------------
E|----------------------------------
```

```
chorus)
E|------------------------------------------------------------------
B|----------------------------------11------------------------------11-
G|-12------12------12------12---------12------12------12------12-------
D|------10----10--------10----10----------10----10--------10----10----
A|------------------------------------------------------------------
E|------------------------------------------------------------------
I m waiting for the night to fall                    I know that it will
```

```
E|------------------------------------------------------------------
B|----------------------------------14------------------------------14-
G|-15------15------15------15---------15------15------15------15-------
D|------13----13--------13----13----------13----13--------13----13----
A|------------------------------------------------------------------
E|------------------------------------------------------------------
   save us all                                    When everything s
```

```
E|-----------------------------------------------------------------
B|--------------------------10------------------------------------14-
G|-11-----11-----11-----11--------15------15------15------15-------
D|------9----9--------9----9----------13----13--------13----13----
A|-----------------------------------------------------------------
E|-----------------------------------------------------------------
   dark, keeps us from the stark
```

```
E|---------------------------------------------------
B|--------------------------7------------------------9-
G|-8-----8-----8-----8-------10-----10-----10-----10-----
D|-----6--6-------6--6----------8----8--------8----8---
A|---------------------------------------------------
E|---------------------------------------------------
   reality.
```

I m waiting for the night to fall
When everything is bearable
And there in the still
All that you feel
Is tranquility

(verse)
```
E|-------------------------------------------------
B|-----------------------7-----------------------7-
G|-6-----6-----6-----6-------6-----6-----6-----6-----
D|-----4---4-------4---4---------4---4-------4---4---
A|-------------------------------------------------
E|-------------------------------------------------
```
                         There is a star in the sky

```
E|-----------------------------------------------------------
B|------------------------10-----------------------------10-
G|-11-----11-----11-----11--------11-----11-----11-----11------
D|-------9----9--------9----9-----------9----9--------9----9----
A|-----------------------------------------------------------
E|-----------------------------------------------------------
```

```
E|---------------------------------------------------
B|----------------------7-----------------------7-
G|-8-----8-----8-----8-------8-----8-----6-----6-------
D|-----6---6-------6---6---------6---8-------8---8-----
A|---------------------------------------------------
E|---------------------------------------------------
```
                         Guiding my way with its light

```
E|-----------------------------------------------------------
B|------------------------9-----------------------------9-
G|-10-----10-----10-----10-------10-----10-----10-----10-----
D|-------8----8--------8----8-----------8----8--------8----8---
A|-----------------------------------------------------------
E|-----------------------------------------------------------
```

And in the glow of the moon
Know my deliverance will come soon

(chorus)

There is a sound in the calm
Someone is coming to harm
I press my hands to my ears
It s easier here just to forget fear

(bridge)
```
E|---------------------------------------------------
B|----------------------9-----------------------9-
G|-8-----8-----8-----8-------8-----8-----8-----8-----
D|-----6---6-------6---6---------6---6-------6---6---
A|---------------------------------------------------
E|---------------------------------------------------
```
    And when I sqinted the world seemed rose-tinted

```
E|-----------------------------------------------------------------
B|------------------------11--------------------------------14-
G|-10-----10-----10-----10--------15------15------15------15-------
```

```
D|------8----8--------8----8----------13----13--------13----13----
A|---------------------------------------------------------------
E|---------------------------------------------------------------
```
    Angels appeared to decend

```
E|--------------------------------------------------
B|----------------------9-----------------------9-
G|-8-----8-----8-----8-------8-----8-----8-----8-----
D|-----6---6-------6---6---------6---6-------6---6---
A|--------------------------------------------------
E|--------------------------------------------------
```
    To my surprise, with half-closed eyes

```
E|-----------------------------------------------------------
B|-------------------------9---------------------------9-
G|-10-----10-----10-----10-------10-----10-----10-----10-----
D|------8----8--------8----8---------8---8--------8----8---
A|-----------------------------------------------------------
E|-----------------------------------------------------------
```
    Things looked even better than when they were open

(final chorus)
Been waiting for the night to fall
I knew that it would save us all
Now everything s dark
Keeps us from the stark reality
Been waiting for the night to fall
Now everything is bearable
And there in the still
All that you feel is tranquility

(outro - same as intro)
