A King & A Kingdom

Derek Webb - Mockingbird

Transcribed by John Huss

Capo II

D **Em9**
Who s your brother, who s your sister
D
You just walked passed him
Em9
I think you missed her
A
As we re all migrating to the place
D
Where our father lives
Bm **Asus** **A7**
Cause we married in to a family of immigrants

G **Gm** **D** **E7**
My first allegiance is not to a flag, a country, or a man
G **Gm** **D** **E7**
My first allegiance is not to democracy or blood
G **A** **D**
It s to a king & a kingdom

There are two great lies that i ve heard:
The day you eat of the fruit of that tree, you will not surely die
And that Jesus Christ was a white, middle-class republican
And if you wanna be saved you have to learn to be like Him

D **E7**
But nothing unifies like a common enemy
F
And we ve got one, sure as hell
G
But he may be living in your house
A
He may be raising up your kids
Bb7
He may be sleeping with your wife
C7 **D**
Oh no, he may not look like you think
