(second verse, same as first)

it is not peace i find, it is not satisfaction
it s not the life i always dreamed or imagined
it is not wisdom, it is not strength
it is not control
it is a promise meant to quell my every fear yet leave me cursed

CHORUS

Bridge: **Bb F A Bb** x2

(third verse, same as first)

i ve nothing left
no life or death
no will that s free
i have no way now to explain

what s come over me
i m just a body overwhelmed
and lying still
a casualty of knowing what i want and wanting what i know

CHORUS
