

I Wanna Marry You All Over Again

Derek Webb

This is my first tab, and I've just kind of thrown it together from looking at different videos of Derek playing it. Comments are welcome.

The main bass riff that he repeats throughout the verses goes something like this:

```

B|-----|
G|-----|
D|-----|
A|--3/5-5---0-h3-3-1-----|
E|-----3-3---0-h3-3--|
```
