

Lover Part 2

Derek Webb

Capo 3

Iâ€™m living in a car graveyard
My heart is up on blocks
Iâ€™m dying on a sail torn ship
Iâ€™m wrecking on your rocks
Iâ€™ve got a promise breaking foolish heart
Thatâ€™s broken into three
You took it Father, Son, and Ghost
And I have been set free

The chords repeat for the other verses. The instrumental part is just Am Em.
