

Zeroes And Ones
Derek Webb

This is my first tab. Let me know if there needs to be a change anywhere.

Capo II

(Intro) **G**

G
This was real
Bm C Em
Oh this was what you ve all come to see and feel
A C
But I m starting to doubt my reality
Em D A C
Cause it does not last long
Em Em/D D Dsus D
Once the cash is gone

G D Em7 C
Eventually all of this must become zeros and ones
G D Em7 C
In everything, everywhere, everyone, zeros and ones

I m in love
Oh I love what I can convince you of
Cause I m a prophet by trade
And a salesman by blood
Now I m dying just to be
A filtered, sub-cultural version of me

D
My blood is red
Em
Dripping on a page
A7 D Dsus D
If I m brave enough to cut myself
Em
But the more it sells
A7 D Dsus D
It thins my blood
