Zeros Ones
Derek Webb - Mockingbird
Transcribed by John Huss

Capo VII

(Intro) D5 Dsus Dmaj7 (the Dsus is hammered on the top string)

D
This was real
F#m G Bm
Oh this was what you've all come to see and feel
E7 G
But I'm starting to doubt my reality
Bm A E7 G
Cause it does not last long
Bm Bm/A A Asus A
Once the cash is gone

D A Bm7 G
Eventually all of this must become zeros and ones
D A Bm7 G
In everything, everywhere, everyone, zeros and ones

I'm in love
Oh I love what I can convince you of
Cause I'm a prophet by trade
And a salesman by blood
Now I'm dying just to be
A filtered, sub-cultural version of me

A
My blood is red
Bm
Dripping on a page
E7 A Asus A
If I'm brave enough to cut myself
Bm
But the more it sells
E7 A Asus A
It thins my blood
