Intro GACD x4 (palm mute)
 GACD x4

Verse 1

G **A** **C** **D**
 this time things are gonna be diffrent
G **A** **C** **D**
 ya right who the fuck am I kidding
 I wish I could talk to you alone
 but its just so much more easy on this open microphone

Chorus (palm mute)

C **F**
 one time I don t want to hear about it...two its over before I started
G **A**
 three times and I don t want to be me... and the fourth time Im failing
F
 I should just give up already

Verse 2

you said that I was most important
 but I ll believe that the day I turn retarded
 its hard just to look at your face
 when in a matter of a year I know I m already replace

Chorus (same as first but without the palm mute)

Verse 3 (palm mute, gradually increase volume)
fuck you I m sorry that I said it
and I know that I may live to regret it
fuck you oops I did it again
and oh my god I guess I ll never hear the end of it

Chorus x2

outro

G A C D

I guess I should just give up already x4
