Weather the Storm - Derrick Drover

Tabbed by: wgamey
Tuning: Standard

Derrick Drover Official Site - <http://www.derrickdrover.com/index.htm>

Intro: **Em**

Em **G**
Ive had pleasure, Ive had pain
Em **G**
Both of which, I thought would never end
Em **G**
Ive been through the fire, Ive been through the flood
Em **G**
I found out the hard way, nothings thicker than blood
D Dsus2 Em
When sorrow floods this heart of mine
D Dsus2 Em
Like rolling billows and rising tides
Em G
Take my hand now as dark clouds fall
D Am Em
A house built on the rock, weather the storm

Em G
Now just when you think, youve seen it all
Em G
Down comes another brick, in the builders wall
Em G
I may not see, what lies ahead
Em G
Only that its you and me, until the end
D Dsus2 Em
When sorrow floods, this heart of mine
D Dsus2 Em
Like rolling billows and rising tides
Em G
Take my hand now, as dark clouds fall
D Am Em
A house built on the rock, will weather the storm

Am Em

Now these things remain, faith hope and love

Am Em

Now the greatest of these three is love

N.C. **Em G**

So take my hand now, as dark clouds fall

D Am Em

A house built on the rock will weather the storm

Em G

Ive had pleasure, Ive had pain

Em G

Both of which, I thought would never end

Em G

Ive been through the fire, Ive been through the flood

Em G

I found out in those hardest ways, nothings thicker than blood

D Dsus2 Em

When sorrow floods this heart of mine

D Dsus2 Em

Like rolling billows and rising tides

Em G

Take my hand now as dark clouds fall

D Am Em

A house built on the rock, weather the storm
