Clean sheets mean a lot to
          C#
a guy who sleeps on the floor

  Oh I whited your love and a

shelf in your dresser drawer
G#   **Eb**
  you tucked me in, stopped
                C#
my tossing and turning
    G#
But I turned back the covers
      Eb   **C#**
and I saw those sheets are dirty

Chorus 1:

  The warmth of a bed to a

  Was enough to perpetuate
        Eb              C#
all the lies I heard before
G#
  And I want to hold you but
      Eb                C#
I ll hold my pillow instead
G#
  Cause my pillow will
            Eb
never lie or be with a
         C#
stranger in my bed

(Repeat Chorus 1)

Cm
Where s the love
      C#
I was looking for
      G#
It s out the door
Cm
I m afraid to
    Bbm
see you anymore

          Eb
mirror I saw your face

and smashed the glass
