

Here With Me  
Descendents

Intro: C#m A B F# x4  
E G# A E x2

C#m                    B                    A  
Wet sand on a foggy beach, the sky is gray  
E                    G#                    A                    E  
You would call it a perfect day  
C#m                    B                    A  
And naturally I d have to agree  
E    G#                    A                    E  
If you were here with me

B

C#m                    B                    A  
When I m hanging out with all my friends  
E                    G#                    A                    E  
Something still holds back my smile  
C#m                    B                    A                    E  
Something tells me they re the enemy - the enemy  
                  G#                    A                    E  
cause you re not here with me  
E    G#                    A                    E  
No, you re not here with me  
F#m G# A5                    F#m G# A5                    F#m G# A5                    B  
                  (And I know                    she was                    everything)

F#m G#                    A5                    F#m G# A5  
Everybody s having fun  
F#m G#                    A5  
I sit and stare at everyone  
B                    E  
Back to myself again

G# A E  
E G# A E

C#m                    B                    A  
Took a walk outside along the beach  
E                    G#                    A                    E  
Watched the waves roll on the shore  
C#m                    B                    A  
The things I felt before aren t there anymore "â€  
E  
Not anymore  
                  G#                    A                    E  
Cause you re not here with me

**E      G#                  A                  E**  
No, you re not here with me

**F#m G#                  A5                  F#m G# A5**  
Everybody s having fun                  (but not me)

**F#m G#                  A5                  B**  
I sit and stare at everyone

**F#m    G#   A5   x3**

**G#                          E    G#   A   E**  
Back to myself again

**E    G#   A   E**  
Back to myself again

**C#m                          B                          A**  
Wet sand on a foggy beach, the sky is gray...

**C#m    A    B    F#   x2**

**C#m**  
Keep working

**A**  
Stay busy

**B**  
Don t think about

**F#**  
Don t think about

**C#m**  
Keep working

**A**  
Stay busy

**B**  
Don t think about

**F#**  
Don t think about

**C#m A5   x4   E**  
Her
