

In Love This Way
Descendents

INTRO

G - D - Am -D - C - D x2

VERSE 1

G D Am D
I m lonely today, won t you come out to play
C D
When I m with you all the world goes away
G D Am D
your smile and your eyes, they keep me alive
C D
Your voice is a bell that massages my mind

CHORUS

Em
And it makes me wonder
D
And it makes me sad
Em
And it makes me nervous
D
And it makes me oh so mad
C G
Cause I think about you every night and day
Am D
And when I could have asked I let it slip away
C G
I ve got to get to know you, but I m so afraid
F C D
Well it s so hard to be a friend and be in love this way

VERSE 2

G D Am D
Oh talk to me please, you ve brought me to my knees
C D
Only your words melt my twenty year freeze
G D Am D
I ve known you so long, I ve known you all along
C D
But suddenly my thoughts of you have been so strong

CHORUS

Em

And it makes me wonder

D

And it makes me sad

Em

And it makes me nervous

D

And it makes me oh so mad

C

G

Cause I think about you every night and day

Am

D

And when I could have asked I let it slip away

C

G

I ve got to get to know you, but I m so afraid

F

C

D

Well it s so hard to be a friend and be in love this way

BRIDGE

(G and D are half measures each)

G D x8

C D

G D Am D C D

Karen, may I see your blue eyes

G D Am D C D

Karen, may I tell you tonight

Em

That it makes me wonder
