They made me go away

Silly Girl Descendents

```
SILLY GIRL - DESCENDENTS
FROM THE ALBUM: I DONT WANNA GROW UP (1985)
Started on a summer Sunday
Your pink dress on the setting sun
You were going to Grandma s house,
I was too scared to come
                    C
В
My silly girl, I m beggin you
Tell me all the things that I want to hear
                                                      G
My silly girl, I m in love with you
I had to run to catch you,
You always moved so fast
With your cute little smile and your silly laugh,
God gave me love at last
My silly girl, I m beggin you
Tell me all the things that I want to hear
                                                      G
My silly girl, I m in love with you
В
They said just stay away
Right now I wish I had
I m so in love with you,
my silly girl
```

```
С
Sometimes life just isn t fair,
but I ll be back someday
I hope you ll still be there
My silly girl, I m beggin you
Tell me all the things that I want to hear
                                                      G
My silly girl, I m in love with you
When you re just a silly boy like me,
you re always so scared
Now I m just out of luck,
I wonder if you ever cared
My silly girl, I m beggin you
Don t stop being a silly girl
                                                      G
My silly girl, I m in love with you
В
They said just stay away
Right now I wish I had
I m so in love with you,
my silly girl
