```
E           F#                  B      B7
I see the night that she s alone
E       F#              B
I keep thinking back to home.
E             F#        Eb7              G#m
I ve got that feeling I know that it shows
E           F#          B
I missed my sweet desert rose.
E             F#              B      B7
Shines like the stars in the sky
E        F#         B
A breath of life in a well gone dry.
E            F#      Eb7          G#m
She picks me up when  I feel it so low.
E       F#          B
She s my sweet desert rose.
E        F#                  B
Ain t no money in our home town
E     B                    F#
And the mills have all shut down.
E               F#           Eb7           G#m
They say there s work but it s always the next town.
E           F#            B
Will you still love me when I m gone.
E             F#              B
Will you still love me when I m gone
E             F#            B
Though the empty nights and the days so long.
E       F#        Eb7            G#m
I m not the same and I guess that it shows
```

```
E          F#              B
I missed my sweet desert rose.
