Song: Joy Will Come
Artist: Desperation Band
Album: Light Up The World
Authors: Jon Egan and Mia Fieldes

D2 **Asus**

Joy will come in the morning

Bm7 **G**

Riding on the wings of the dawn

I know

D2 **Asus**

Joy will come after mourning

Bm7 **G**

As surely as You are God

D **Asus**

Joy will come believe

Bm7 **G**

Joy will come joy will come

D2 **Asus**

Joy will come like the harvest

Bm7 **G**

Reaping for tears that we sow

I know

D2 **Asus**

Joy will run to the farthest place

Bm7 **G**

Surely as You are God

Bm7 **Asus**

What is this hope I feel

It s helping

D2 **G**

What is this peace beyond

Understanding

Bm7 **Asus**

You fix the broken heart

D2 **G**

There s healing in Your wings

Bm7 **Asus**

What is this whisper small

I m hearing

D2 **G**

So far above it all

It s speaking

Bm7 **Asus**

You re still the sovereign Lord

D2 **G**

There s healing in Your wings
