

Light Up The World  
Desperation Band

Light Up The World  
Words and Music by Jon Egan

Key - G

intro

**Em**      **C2**      **G2**      **D/F#m**  
**Em**      **C2**      **G2**      **D/F#m**

verse 1

**Em**                      **C2**                      **G2**                      **D/F#m**                      **Em**  
I m gonna believe that we will see the Kingdom come to earth  
                                 **C2**                      **G2**                      **D/F#m**                      **Em**  
I m gonna believe that signs and wonders follow hearts that burn  
                                 **C2**                      **G2**                      **D/F#m**                      **Em**  
I m gonna believe that sickness and impoverty will cease  
                                 **C2**                      **G2**                      **D/F#m**  
I m gonna believe that power from the heavens will release

pre-chorus

**C2**                      **G2**                      **D/F#m**  
Oh let Your Kingdom come on earth  
**C2**                      **G2**                      **D**  
And let Your will be done

chorus 1

**Em**    **C2**    **G2**                      **D/F#m**  
Yeah light up the world with Your love  
**Em**    **C2**    **G2**                      **D/F#m**  
Rain down on our hearts like a flood  
**Em**            **C2**            **G2**                      **D/F#m**  
Our eyes will see the glory of God  
**Em**            **C2**            **G2**  
Our eyes will see

verse 2

I m gonna believe that fathers and their children will unite  
I m gonna believe that marriage will not end without a fight  
I m gonna believe that churches will become Your hands and feet  
I m gonna believe that acts of love and kindness will increase

pre-chorus

**C2**                    **G2**            **D/F#m**  
Oh let Your Kingdom come on earth

**C2**                    **G2**            **D**  
And let Your will be done

chorus 1

**Em**   **C2**   **G2**                    **D/F#m**  
Yeah light up the world with Your love

**Em**   **C2**   **G2**                    **D/F#m**  
Rain down on our hearts like a flood

**Em**            **C2**            **G2**            **D/F#m**  
Our eyes will see the glory of God

**Em**            **C2**            **G2**  
Our eyes will see

bridge

**C2**                            **G/B**                            **Em**                            **D**  
As You light up as You light up as You light up the world

**C2**                            **G/B**  
Send Your glory, send Your glory

**Em**                            **D**  
Send Your glory, send Your glory

**C2**                            **G/B**  
Send Your glory, send Your glory

**Em**                            **D**  
Send Your glory, send Your glory

chorus 2

**Em**   **C2**   **G2**                    **D/F#m**  
Yeah light up the world with Your love

**Em**   **C2**   **G2**                    **D/F#m**  
Rain down on our hearts like a flood

**Em**            **C2**            **G2**            **D/F#m**  
Our eyes will see the glory of God

ending

**Em**            **C2**            **G2**            **D/F#m**                            **Em**  
Our eyes will see the glory of God
