

**Kissing You**  
**Des'ree**

**Dm7**                    **Am7**  
Pride can stand a thousand trials,  
    **Am7**            **Em7**            **C**  
the strong will never fall.  
    **Dm7**                    **Am7**  
But watching stars without you,  
**C**    **Em7**    **Am7**  
my soul cried.

**Dm7**                    **Am7**  
Heaving heart  
**Am7**    **Em7**    **C**    **G**    **C**  
is full of pain,  
**Dm7** **Am7**    **Em7**            **C**  
oh, oh, the aching.  
    **Dm7** **Am7**    **C**    **G**            **C**    **Am7**  
Cause I m kissing you, oh.  
**Dm7** **Am7**    **C**    **G**    **C**  
I m kissing you.
