Down
Destine

```
            C                         Dm7
You ought to know, tonight is the night to let it go,
         C                    G
Put on a show, I want to see how you lose control,
```

(Bridge)

```
          Dm7                  C                 G
So leave it behind â€™cause weâ€™ve got a night to get away,

          Dm7                  C                 G
So come on and fly with me, as we make our great escape.
```

(Chorus)
```
                C                 Dm7
So baby donâ€™t worry, you are my only,

          G                         C       G      F
You wonâ€™t be lonely, even if the sky is falling down,
          C                 G
Youâ€™ll be my only, no need to worry,
              C       G       F
Baby are you down down down down down,
   F    C    G
Down, Down, Down
              C       G       F
Baby are you down down down down down,
   F    C    G
Down, Down, Down
```

(Verse 2)
```
           C                         Dm7
Just let it be, come on and bring your body next to me,

           C                              G
Iâ€™ll take you away, turn this place into our private getaway

          Dm7                  C            G
So leave it behind â€™cause weâ€™ve got a night to get away,

          Dm7                  C            G
So come on and fly with me, as we make our great escape,
```

(So why donâ€™t we run away)

(Chorus)
```
                  C                    Dm7
So baby donâ€™t worry, you are my only,

                    G                      C        G      F
You wonâ€™t be lonely, even if the sky is falling down,
                    C                    G
Youâ€™ll be my only, no need to worry,
                  C        G        F
Baby are you down down down down down,
   F      C      G
Down, Down, Down
                    C        G        F
Baby are you down down down down down,
   F      C      G
Down, Down, Down
                C          G
Even if the sky is falling
```

(Verse 3)
```
  C
Down like she supposed to be,
Dm7
She gets down low for me,
F                                        Dm7
Down like her temperature, â€™cause to me she zero degree,
      C
She cold, overfreeze,
  Dm7
I got that girl from overseas,
      G
Now she my miss America,

now can i be her soldier please,
        Csus4
Iâ€™m fighting for this girl,
            Dm7
On the battlefield of love,
           F                                        C
Donâ€™t it look like baby cupid sending arrows from above,
             F
Donâ€™t you ever leave the side of me,
        C
Indefinitely, not probably,
      G
and honestly Im down like the economy
```

(Chorus)
```
                  C                    Dm7
So baby donâ€™t worry, you are my only,

                    G                      C        G      F
You wonâ€™t be lonely, even if the sky is falling down,
```

```
                C                         G
You’ll be my only, no need to worry,
                 C           G          F
Baby are you down down down down down,
  F     C     G
Down, Down, Down
                  C           G          F
Baby are you down down down down down,
  F     C     G
Down, Down, Down
                C       G       F
Even if the sky is falling down
```
