Night Skies

Capo-position depends on the version of the song (position 1-4)
Couldn't find the tabs of this awesome song, so I decided to make one myself.
It's the only tab one from Night Skies, so I hope I did it
right. I think it's for 98% correct. Good luck!

G Dadd4 C Cadd9

G Dsus4/F#
When the spell is finally broken and the summer's dead and gone,
Cadd9 C
I'll say are you still with me

G Dsus4/F#
cause it feels like I've been sleeping or been holding back for years
Cadd9 C
I say are you still with me
G Dsus4/F# C Cadd9
cause it's all I need here

G Dsus4/F# Em7 Dsus4/F#
And time is roughly ticking, light is slowly chasing you
Cadd9

with the least thing that I do
G Dsus4/F# Em7 Dsus4/F#
As I watch the city sleeping night skies lead me back to you,
Cadd9
it's the least that I can do

G Dsus4 Cadd9

G Dsus4/F#
Suddenly there's not much left in talking 'bout tomorrow,
Cadd9 C
all we live is history

G

Dsus4/F#

When something like my daily bread turned out to be mistakes we had,

Cadd9
