## Where Are You Now Destine

Where are you now - Destine

Chords by: kerk12 (kerk12gr@gmail.com) Tuning: Standard Capo on 4th fret All chords relative to the capo.

I m pretty damn sure this is how this song is played... Please tell me any corrections you might have and I ll fix it ASAP :D.

Chords used:

Am	Em	Fm	G*
0	0	1	
1	0	1	
2	0	1	
2	2	3	
0	2	3	
	0	1	

\*: I like to play it that way. Sounds more clean. You can play it normally if you want :P

[Intro/Verse 1]: Am Em When it s dark, a melody G Fm Αm In my mind that s slowly whispering your name Em FmI turn a blind eye Em Am To a spark, a memory Fm G Am When you lit the sky and left me like a flame Fm(G)Em Before we said goodbye Am Em G Before we said goodbye [Chorus]: Am Em Woooaaahhh And the rain keeps falling Am Em G Woooaaahhh Can you hear me calling Am Em G With every minute now the memories of you are fading Am Em G It leaves me with a question Am Em (Fm) G Where are you now? [Verse 2]: Am Em I ve gone miles all around G Fm Am Saw a hundred different places that I Em Fm G Didn t think I d ever go Am Em It wasn t long before I found Fm G Am That you covered up your traces in reply Fm G Em Now I m sure I ll never know Am We ll never know [Chorus 2 (same as the first one)]: And the rain keeps falling Can you hear me calling With every minute now the memories of you are fading It leaves me with a question Where are you now [Bridge]: Am Em Fm Tell me are you far from me Am Em Fm Give me just one clue on where I should be (Em.) G Am The one and only chance to show me where to begin [Breakdown]: Am  $\mathbf{Em}$ When it s dark, a melody G Fm Am In my mind I m slowly whispering your name Em G I turn a blind eye [Chorus 3]: Am Em Woooaaahhh And the rain keeps falling Am Em Woooaaahhh Can you hear me calling Am Em G With every second now the memory of you is fading Am Em G It leaves me with a question
