Fall on my knees

Em **D/F#**
God I want to love you,
G **Am**
the way I say I do
Em **D/F#**
I know you gave me everything,
G **Am**
could I do the same for you?

G **D/F#**
Youâ€™re the one I worship, itâ€™s you that I adore
Em **C**
Youâ€™re everything Iâ€™m living for
G **D/F#**
Alpha and omega, the name above all names
Em **C**
King of Kings, my Lord you reign

Em **D/F#**
When daily taking up my cross,
G **Am**
seems a heavy price to pay
Em **D/F#**
I pray youâ€™d stand there by my side,
G **Am**
to remind me why I say
Em **D/F#**
More of you and less of me,
G **Am**
thatâ€™s how itâ€™s meant to be:
Em **D/F#**
My weakness for your eternal strength;
G **Am**
your love is changing me

Am **Em**
Iâ€™ll fall on my knees and Iâ€™ll worship you here
G
Iâ€™m sick of pretending,
D

let your presence draw near

Am

Em

Wash away the stain of my sin,

G D

as I open my heart to let you in
