Em F#

You re slowly making me pay for things your money should be handling

And now you ask to use my car {Car}

Drive it all day and don t fill up the tank

And you have the audacity to even come and step to me

Ask to hold some money from me until you get your check next week

You triflin , good for nothin type of brother

Silly me, why haven t I found another

A baller, when times get hard, need someone to help me out
Instead of a scrub like you who don t know what a man s about

REfrain:

=====

Bm
Can you pay my bills
F#
Can you pay my telephone bills
A
Do you pay my automoto bills
E
If you did, then maybe we could just chill
G
I don t think you do
F# R1 (voir partition en haut a droite)
So you and me are through

Can you pay my bills
Can you pay my telephone bills
Do you pay my automoto bills
If you did, then maybe we could just chill
I don t think you do (Do, do, do, do)
So you and me are through

couplet:

=====

Now you ve been maxin out my card {Card}
Gave me bad credit buyin gifts with my own name
Haven t paid the first bill, but you re steady headin to the mall
Goin on shoppin sprees, perpetratin to your friends that you be ballin

And then you use my cell phone
Callin whoever that you think at home
And then when the bill comes, all of a sudden you be actin dumb
Don t know where none of these calls come from
When your mama s number s here more than once

You triflin , good for nothin type of brother
Silly me, why haven t I found another
A baller, when times get hard, I need someone to help me out
Instead of a scrub like you who don t know what a man s about

Refrain:

=====

Can you pay my bills
Can you pay my telephone bills
Do you pay my automoto bills
If you did, then maybe we could just chill
I don t think you do
So you and me are through

Can you pay my bills

Can you pay my telephone bills
Do you pay my automoto bills
If you did, then maybe we could just chill
I don t think you do
So you and me are through
