Destiny's Child

**Bb** **Gm** **Dm**  
Its over and done but the heart ache lives on inside  
**Bb** **Gm** **Dm**  
But who is the one your clinging to instead of me tonight

Bridge:

**Bb** **F**  
where are you now  
**Bb**  
now that I need you  
**F**  
tears on my pillow  
**Bb**  
where ever you go  
**F**  
I cry me a river  
**Bb**  
that leads to your ocean  
**Gm**  
you never fall apart  
**F**  
with the words of a broken heart

Chorus:

**Gm** **Dm**  
Its just emotions taking me over  
**Gm** **Dm**  
caught up in sorrow, lost in your soul  
**Gm**  
But if you dont come back  
**Dm**  
come home to me darling  
**Gm**  
Dont you know theres  
**F**  
nobody left in this world  
**Bb**  
hold me tight  
**F**  
nobody left in this world  
**Bb**  
kiss goodnight  
  
**F**  
good night  
**Bb**  
good night

**Bb** **Gm** **Dm**  
Im there at your side Apart of all the things you are
