Destiny's Child

B **G#m** **Ebm**
Its over and done but the heart ache lives on inside
B **G#m** **Ebm**
But who is the one your clinging to instead of me tonight

Bridge:

B **F#**
where are you now
B
now that I need you
F#
tears on my pillow
B
where ever you go
F#
I cry me a river
B
that leads to your ocean
G#m
you never fall apart
F#
with the words of a broken heart

Chorus:

G#m **Ebm**
Its just emotions taking me over
G#m **Ebm**
caught up in sorrow, lost in your soul
G#m
But if you dont come back
Ebm
come home to me darling
G#m
Dont you know theres
F#
nobody left in this world
B
hold me tight
F#
nobody left in this world
B
kiss goodnight

F#
good night
B
good night

B **G#m** **Ebm**
Im there at your side Apart of all the things you are
