

Stand Up For Love  
Destiny's Child

There are times I find it hard to sleep at night  
We are living through such troubled times  
And every child that reaches out for someone to hold  
For one moment they become my own  
And how can I pretend that I don't know what's going on  
When every second with every minute another soul is gone  
And I believe that in my life I will see  
An end to hopelessness or giving up of suffering  
If we all stand together this one time  
Then no one will get left behind  
Stand up for life  
Stand up and hear me sing  
Stand up for love  
I'm inspired and hopeful each and every day  
That's how I know that things are gonna change  
So how can I pretend that I don't know what's going on  
When every second with every minute another soul is gone  
And I believe that in my life I will see  
An end to hopelessness or giving up of suffering  
If we all stand together this one time  
Then no one will get left behind  
Stand up for life
