

Graveyard Dancing

Destroy Rebuild Until God Shows

Capo on 1st fret

intro:

Dm **Bb**
The locusts took over my brain.

F **C**
I m not living for you, I m just living.

Dm
So, chill with your guilt.

Bb
You hope for sun, I want rain.

F **C**
We just tear down the walls in the home that our jealousy built.

Bb **C**
You re not as pretty as you maybe think that you are.

Chorus

Dm **Bb**
It s been watching you.

F **C**
Your slips and slurs and play on words.

Dm **Bb**
Will fall from your mouth,

F **C** **Bb F C**
Each mutter rolling, dripping from your tongue.

My plagues begun.

verse 2

Dm **Bb**
The stagnant is starting to fade.

F
You won t be living for long.

C
So, just fly with me, die with me.

Dm **Bb**
They all swim, while I drown.

F **C** **Bb**
They just dig up the dirt and bury us into the ground.

C
You re not as special as you maybe think that you are.

Chorus

It s been watching you.

Your slips and slurs and play on words.
Will fall from your mouth,
Each mutter rolling, dripping from your tongue.
My plagues begun.

Dm **Bb**
Why is it I love you so much and all you do is
F F C
Hate, hate, hate everything you ve become?

Dm **Bb**
Why is it I love you so much and all you do is
F F C
Hate, hate, hate everything you ve become?
