DEUS " Is a robot

Cd: ~Vantage Point™ 2008
Chords by Ruben De Vos

Gm Dm Em | Gm X4

Air of a temptress
Buxom and bright
We re not missing anything
At least not tonight

Cm# Dm# Em A## A X4

Chimera of charm
Innocent of hardship
Luxurious qualm
In a self-darkened daytrip

Dm# F# C# X1

Dm# F# C# G# X1

Dm# F# C# G# C X1

And then I ll take you home
Where we live and where we roam
Is a robot zone

Cm# Dm# Em A## A X4

We don t really care
If the world is a mess
We are programmed to the grid
Of pleasure and bliss

Cm# Dm# Em A## A X4

But arrows or drifters
We all just pretend
That we will not succumb
To the ultimate trend

Dm# F# C# X1

Dm# F# C# G# X1

Dm# F# C# G# C X1

And then I ll take you home
Where we live and where we roam
Is a robot zone

We like the attention

But we hate to be judged

Am##

As we proudly parade

Am## G

Where we see others trudge

Am## A

We are slaves to addictions

Am## G

That have no effect

Am## A

And with loving precision

Am## G

Isn't it love we dissect

Am## A Am## G X2

Strum no chords

Dm# F# C# G# X1

Where we live and where we roam

On the bed and on the phone

Is a robot zone
