Serpentine - dEUS (from album In A Bar, Under The Sea )

Recently I heard this song again. So I thought I could give it a try.  
The following tab is the product of my attempt. Every now and then  
you will find a . after a chord, this means: strum chord once (and then  
let it fade out). Where it says the entire band stops and  
leaves a little silence before they continue. Well this should be all  
you need to know, if you have any comments (or corrections) you can  
reach me at: stefan11@worldaccess.nl (or stefan11@wxs.nl)

Greetings,  
Dennis Nijenhuis

Let s do it serpentine, I don t mind

**Bm**            **A**            **G.**  
Let s do it right here

Is it bad that you re good for me  
Did I love you just randomly?  
I m caught in the flow of sound  
And you re just some melody

```
Let s do it serpentine any time
Let s do it right here
Let s do it serpentine, I don t mind
Let s do it right here
```

**D** **Dm**  
There s a cute little litany

**G.** **C.** **G.**  
Put it on my shoulder

**D** **Dm**  
Eight o clock and we agree

**G.** **C.** **G.** **Bm** **A** **Bm** **A** **Bm** **A** **G.**  
It makes me look much older

Got my clockworks company  
Got my dark green trenchcoat on  
I m sure it will always be  
Someone staying and someone gone

```
Let s do it serpentine any time
Let s do it right here
Let s do it serpentine, I don t mind
Let s do it right here
```
