dEUS - Sister Dew

**Em** **Em**  
Oh my sweet Sister Dew what have I done?  
**G** **Em** **Em**  
All my life I ve only loved the one.  
**Em** **Em**  
I was taught to be tolerant and plain  
**G** **Em**  
I was taught a million things I can t explain.

**F** **G**  
It must have been the hatred in her eyes  
**F** **G**  
It must have been the power to her lies  
**F** **Em** **Em** **Em**  
Sister tell me there s a place where I can hide

**Em** **Em**  
Oh my sweet this is how it did unfold  
**G** **Em** **Em**  
no my body never felt so calm and cold.  
**Em** **Em**  
All around us there were people in the park.  
**G** **Em**  
No my senses never felt so clear and stark.

**F** **G**  
And I swear that she saw it in my way  
**F** **G**  
and I m sure that she heard it in my voice  
**F** **Em** **Em**  
Sister tell me please I didn t have a choice.

**A** **F**  
I enjoyed to see her being idle  
**A** **F**  
she never had no worries, nothing vital  
**A** **F** **G** **G**  
from the day I met her to the final... afternoon.  
**A** **F**  
There was something there I can t describe it  
**A** **F**  
we were kicking ass we didn t fight it.  
**A** **F** **G** **G**  
She never once suspected, that she had it... coming soon.

**Em** **Em**  
Oh my sweet Sister Dew what have I done?  
**G** **Em**  
all my life I ve only loved the one.  
**Em** **Em**  
I was raised with compassion and they said  
**G** **Em** **Em**  
I was loved for the loving that I spread

**F** **G**  
Now the only thing remaining is this chill.  
**F** **G**  
and the only emptiness I need to fill  
**F** **Em** **Em**  
is understanding what it is that made me KILL.

**A** **F A F A F G G** x2  
Haaahaaah-haaahaaah-haaahaaah-haaahaaah

**A**  
**A** **F**  
Please forgive me if I keep on smiling  
**A** **F**  
but every sad story has a funny side in  
**A** **F** **G** **G**  
from that moment on I felt like crying... every day.  
**A** **F**  
All around us there were people screaming  
**A** **F**  
For half a second I thought I was dreaming  
**A** **F**  
my baby looked at me her eyes were beaming,  
**G** **G**  
I walked away.

**Em** **Em**  
Oh my sweet Sister Dew what have I done?  
**G** **Em** (**Em**)  
All my life I ve never loved no one.  
**Em** **Em**  
So it dawned on me this should be the place  
**G** **Em**  
now the only thing I crave is an embrace.

**F** **G**  
So let your tender wisdom be mine  
**F** **G**  
and let me come to you like a child  
**F** **Em**  
I d like to stick around here for a while.
