Intro: **Em**

A sunset is just a sunset  
But driving with you over the 25th of April Bridge  
Now that s a ride  
So let s go

Verse:

**Em** **C**  
Somewhere good, we re getting by  
**G** **Bm**  
we take the car, it s an 85  
**Em** **C**  
and we do, what we re doing best  
**G** **Bm**  
over the bridge, to the seaside  
**Em** **C**  
And that s me in the surf  
**G** **Bm**  
see those kids do summersaults  
**Em** **C**  
and that s you, you got some nerve  
**G** **D**  
you give me things that i don t deserve

Chorus:

**Cmaj7** **G**  
And i love to see you walk  
**Em** **Cmaj7**  
under this clear starry night  
**Cmaj7** **Bm**  
If above is where we look

**D** **Cmaj7**  
down here is where we find  
**Cmaj7** **G**  
On the beach we never seem  
**Em** **Cmaj7**  
to end a dream like this  
**Cmaj7** **Bm** **D**  
This is what the good life is

Verse: **Em C G Bm**

This is what the good life is  
Heaven s round the corner where we shelter  
Heaven as a harmless sin  
It s the sun on your skin

Watch it glow  
I can almost see  
The soft fall  
Of your dress on me  
There s a show  
going on tonight  
do you wanna go  
or should we skip the light  
And that s me behind some wine  
(Honey, can you pass me those icecubes in the shape of stars)  
And that s you you are my kind  
you are the tonic and the gin combined

Chorus: **Cmaj7 G Em**  
**Cmaj7 Bm D**

And i love to see you walk  
under this clear starry night  
If above is where we look  
down here is where we find  
On the beach we never seem  
to end a dream like this  
This is what the good life is

Bridge:

**Am**  
You cannot know if you don t try  
**G** **Em**  
(this is what they say it s like)  
**Am**  
You cannot try if you re too shy  
**Bm** **D**  
(this is just the world inside reflected in your eye)  
so don t be too shy

**Am**  
Cause it s my intention

**D**

to not let the good life

and good times pass me by

**Em C G Bm**

**Em A C D**

Chorus: **Cmaj7 G Em**

**Cmaj7 Bm D**

And we know the world is ill

so nurse it back to health

It s that time when you don t care

about all the pain you felt

Oh my love

it can not ever get as good as this

This is what the good life is

To meeeeeee
