

**A Sight To Behold**  
**Devendra Banhart**

Standard Tuning - Acoustic

[Intro]

**Am**

[Verse]

**Am C**  
Such a sight to behold  
**Am C**  
When you got small words to mold  
**G Am**  
And you can make em your own  
**F**  
Still love it would be much better  
**G**  
Love it would be much better  
**Am G**  
I m to-----old  
**Am C**  
It s like golden corn  
**Am C**  
And I love its golden glow  
**Am C**  
It s the little head inside your little hold  
**G Am**  
And out spring some sparkling thoughts  
**F**  
Still love it would be much better  
**G**  
Love it would be much better  
**F**  
Love it would be much better  
**G Am, G**  
Love it would be much better

[Verse]

**Am C**  
It s like finding home  
**Am C**  
In an old folk song  
**Am C**  
That you ve never ever heard  
**Am C**  
Still you know every word  
**G Am**  
And for sure you can sing along  
**F**

But love it would be much better

**G**

Love it would be much better

**F**

Love it would be much better

**G**

Love it would be much better

**Am**

I know, I know

[Ending]

**Am**
