Then it goes quiet and for the rest of the song he intersperses the picking of the above chords (A, Fm) with small lead bits.

Be kind, baby be kind
 Be kind, baby be kind
 The light of this might
 Align your legs to time
 They give me up as I got mine
 Oh and that s too many times
 Baby be kind
 And my eyelids are fine
 Don t let your eyes pop out boy

You may drop your black candy apple
From the fright of having your eyes pop out
And someone else buys seeing double
So be kind baby be kind
Won t cha be kind baby be kind
And the way he drops the ants will cover him up
I said you d get em back dear
Don t cha try to puff them all up
Baby dear don t cha try
To be kind baby be kind
You know the light of this whole world and mine
Aligns your legs to time
The lake it ain t your fire
And that is all I ve had
Too many had done
These eyelids mine
Don t let your eyes pop out
You might drop them on your stove
And they ll wiggle on home

Transcribed by ear, all my own work.

Good Luck
