

## Goin Back

Devendra Banhart

This is such a sweet song, and I couldn't find a tab for it anywhere, so I hope this helps anyone else who has been searching in vain for it.

The song is really easy, it's mostly just A, D and E bar chords. The tricky thing is the strumming pattern.

**B       E    E    F#    E    F#    E       B**

D U D U    U D U    U D U    U D U

1--2--3--4--1--2--3--4--1

(Hope that helps. Play downstrokes of the chords on the D symbol and upstrokes on the U symbol, the numbers are each beat and the plus symbols are each half beat)

<b>B</b>	<b>E</b>				
Goin	back	to	the	place	
<b>E</b>	<b>F#</b>	<b>E</b>	<b>F#</b>	<b>E</b>	
Where	it	all	started	from	
<b>B</b>	<b>E</b>	<b>E</b>	<b>F#</b>	<b>E</b>	<b>F#</b> <b>E</b>
Gonna	see	my	old	friends	try and have a little fun
<b>B</b>	<b>E</b>		<b>F#</b>	<b>E</b>	<b>F#</b> <b>E</b>
Wouldn't	that	be	nice,		
<b>B</b>	<b>E</b>		<b>F#</b>	<b>E</b>	<b>F#</b> <b>E</b>
Wouldn't	that	be	nice		

Goin back to the way that it once used to be  
Have a couple drinks and wander aimlessly  
Just like old times  
Yeah just like old times

(next verse same chords but strumming pattern changes to simple Down Up Down)

And maybe see the changes in me  
Remember where I've been and never go back again  
Maybe see the changes in me  
Make no mistake  
There's plenty of those to make

<b>Bm</b>	<b>Am</b>	<b>Em</b>	
Never	never	never	goin back
<b>Bm</b>	<b>Am</b>	<b>Em</b>	
Never	ever	ever	goin back

(Back to normal pattern)

Goin back to the place where my lover and I met  
I can give her all I got  
She can ring my little neck just like old times  
Just like old times

Goin back to the time when I didn t need a thing  
Just the tappin of my foot and a little song to sing  
That ll do just fine  
Yeah that ll do just fine

(different pattern again)

And maybe meet a little lady  
Tell me where I go, tell me where I come  
Take me anytime you like hon  
Take me as I am or as who I might become

Never ever ever goin back  
Never ever ever goin back

(normal pattern for the outro)

Goin back, goin back, goin back  
Goin back, goin back, goin back  
Goin back, goin back, goin back...

Yeeeeeahhhh. My first tab. I ll figure out the little licks throughout, and  
maybe  
even the cello part and post em up too.
