

**Wont You Come Over**  
**Devendra Banhart**

Standard Tuning

[Verse]

I used to live alone, but I found you, so certain  
Iâ€™m yours to take  
Now I canâ€™t wait for all the mistakes  
Weâ€™ve yet to make

[Bridge]

Now shake it up, baby, twist and shout  
Weâ€™re war-torn buildings, all bombed out

[Pre-Chorus]

Love, not unlike  
I got drunk, pissinâ€™ the night away  
Love, not unlike

[Chorus]

Wonâ€™t you come over and love me?  
Wonâ€™t you come over again?  
Can you overcome the unnerving  
Ossifying body youâ€™re in?

[Verse 2]

I used to live alone just counting the pretty little flowers on my dress  
I canâ€™t wait to consecrate this wondrous mess

[Bridge 2]

Words unforgotten â€™til we sing again  
Start at the bottom, and then we descend

[Pre-Chorus 2]

Love, not unlike  
Little joy in/around no more

Love, not unlike  
I am woman, hear me roar  
Love, not unlike  
Larry Lemon, sanctified  
Love, not unlike

[Chorus 2]

Won't you come over and love me?  
Won't you come over again?  
Help me overcome the unnerving  
Ossifying body I'm in

[Outro]

**G** **C**  
I ask all the time

**G** **C**  
But you never tell me

**G** **C**  
What have I got to do, to make that man want me?
