Tuning: Standard

G Bm Em C x2

G
In that room did you care
Bm
I never knew anyone who stared at me
Em C
Quite like the way your staring at me now
G
And if all these empty words you speak
Bm
Could change the boy who s at your feet
Em C
I think you need not look farther than your arms

Am Em
Cause I ll never change
Am Em
And you ll stay the same
Am Em
And I ll never change

D C Em x2

G
If I could change the boy at my feet
Bm
To a man who didn t have to speak
Em C
I wouldn t have to use my arms to measure
G
Something about the room that day
Bm
And how I knew I d go away
Em
How all I can do is stare at you
C
And think what I m about to do

Am **Em**
Cause I ll never change
Am **Em**
And you ll stay the same
Am **Em**
And I ll never change

D **C** **Em** x2

G **Bm** **Em** **C** x2

G
I stared at the light too long
Bm
And I did everything to keep from falling
Em
When all is said and done
C
Do you think it was worth it
G
Patterns move across the floor
Bm
And it just doesn t feel the same I m sorry
Em
When all is said and done
C
I think it was worth it

Am **Em**
Cause I ll never change
Am **Em**
And you ll stay the same
Am **Em**
And I ll never change

D **C** **Em**
