C Am F
Through these frozen winter nights

C
They drain our minds
Am F G

They test us all
C Am F
Through these tired and weary eyes
C Am F

We say farewell to one of us

C Em Em Em F

To a part of us all

F Am
Time will wait for no man
Am G Em Em Em F

All that we ve lost we ll never forget
F Am G

Pull yourself up off the ground

Em Em F

Don t give up on it now

Am

Just stay strong

G Em Em F

There s a life to be led

F Am G G

And time will wait for no man

Am G F C G

The sun goes down on a day which buried a friend

Am F C G

Through saddened smiles we ll go

Am G F C G

Though the night is vast there is hope which always remains

Am F C G

So we ll just move on but not forget

C G

Through these times of no regrets

(same as verse 1)

These old coins tokens of a time once lost

Its been lost to us all for too long

Through this blood a legacy

We ll push onwards to forge our own

From a part of us

The sun goes down on a day which buried a friend
Through saddened smiles we ll go
Though the night is vast there is hope which always remains
So we ll just move on but not forget

And time will wait for no man
