Verse 1

Listen, yeah carry on whinging and whining
And get left to regret what you said
I ll be out the door in a sec
Like Usain Bolt i m quicker than lightening
I m tired of irony
And hours on end, the bickering, fighting
I blame my surroundings
A relationship defined in violence
It blossomed, and it bloomed
Now it s rotten and i m blue
And even though I still love you
I can t go through with the doom and the gloom again
That s the truth my friend
I m not leaving for another lady
I felt I had to depart
Cos if I didn t I d kill you, maybe-Same As Intro

Ah, everything fades away
The sun goes on and on
You can t go against the grain
You gotta let it go, let it go
Ah, everything fades away
The sun goes on and on
You gotta let it go, let it go
I just wanna be left alone,
It s time to let it go
I just wanna be left alone
I think it s time you let it go-**Dm../Am../C../Am../**

Verse 2

The sun doesn t always shine
I m stuck in a solar eclipse
Even though I love you to bits
I m done with the pain that we both inflict
Upon one another
It don t make me happy to watch you suffer
Run back to your mother
Tell her I turned out the same as the others

I don t know how to handle ya
All you do is make me angrier
Till I wanna manhandle ya
I m contemplating whether to kiss ya or strangle ya
But I can t put my hands on ya
Like a burning flame in the burning flames
In hell if i did so im walkin away
I can no longer stand with ya-Same As Intro
