INTRO

(Tab note 1)

```
E 0--0--0---000---|-----|
B 1--1--1---111---|-----|
G 0--0--0---000---|-----|
D 2--2--2---222---|-----|
A 3--3--3---333---|-----0-1-0-----|
E -----|2-3-4-----4-3-|
```

This is repeated throughout the song over the C F# progression.
I just indicated an open C chord to illustrate the rythm of the
C portion of the progression. You can play any form of the C chord
you want.

```
      C                      F#
Vigor, vim, vitality and punch
      C                      F#
The ability to act on a sudden hunch
      F                      G
Nerve to tackle the hardest thing
      F                      G
With feet that climb and hands that cling
      F                      G
A heart that never forgets to sing
```

```
      A      D/A
That s pep
      A      D/A
That s pep
      A      D/A B E D (Then back to tab note 1) for 4 bars
That s pep
```

```
      C                      F#
Sand and grit in a concrete base
      C                      F#
A friendly smile on an honest face
      F                      G
Spirit that helps when another s down
      F                      G
```

Know how to tackle the blackest frown
