

Farewell Seasick Suffering

Devon Sproule

Just the basic chords, mess around with additions and rhythm :)

Capo on 4, standard tuning

Em

Em **C** **G**
Farewell to sweet and seasick suffering

Em **D**
Goodbye all hollow and brave new worlds

  Em **C** **G**
Say Oh well to green and yellow melancholy 

Em **D** **Em**
And Oh my to sweet and strange new words 

God damn, what damage done! 

C **G** **Em**
What wicked wanting have I felt

  D
My nights have stretched constant without flame

  Em **C**

I have been quick to draw and shoot and

  G **Em**
Shoot again but never have I made my mark

  D **G**

Until my sweetheart came and said:

  Am **C**
Farewell, sweet and seasick suffering

  Em **D**
Goodbye all hollow and brave new worlds

  G **Am** **C**
Oh well, green and yellow melancholy

Em **D** **Em**
And Oh my to sweet and strange new words

  Em **Am** **C**
Say, fair boy, are you so sure?

  Em **Am** **D**
Have you no questions for the world? 

Em **Am** **C**
Are your nights so cloudless?

  Em **Am** **D**
Are your skies so clear?

  Am **G** **Am** **G** **D**
Say, fair boy, have you no fear?

  Am **G** **Am** **G** **D** **Em**
No fear, no fear

Em **C**
Be still my quake and shudder

  G

My hopeless hapless hero

  Em **D**

Why talk of hunger and of luckless love 

Em

Be quick now before the light of day

  C **G** **Em** **D**

Has left us lonely, consider this, consider saying: why not say, 

G **Am** **C**

Farewell sweet and seasick suffering

  Em **D**

Goodbye all hollow and brave new worlds

  G **Am** **C**

Say Oh well to green and yellow melancholy

  Em **D**

And Oh my to sweet and strange newâ€|. one more time;

G **Am** **C**

Farewell sweet and seasick suffering

  Em **D**

Goodbye all hollow and brave new worlds

  G **Am** **C**

Say Oh well to green and yellow melancholy 

Em **D** **Em**

And Oh my to sweet and strange new words

Em **D** **G**

And Oh my to sweet and strange new words
