100 Other Lovers from DeVotchKa's 100 Lovers album!

A
I will admit I am embarrassed by your grace
E
And the complete look of boredom upon your face
A
You want to be a million miles from this place
E **A**
You want to get on with my untimely disgrace.

A
I am alone I am in love with an idea
E
Sophisticated Neurological appeals
A
I want to negotiate some kind of a deal
E
I want to tear it open show you that it's real

E
Oh the things I will believe
E
Ignore the hundred lovers
E
You got hidden up your sleeve.
Bm
The words come easily
Bm
And they sound so lovely
E **A**
I guess it's just as easy if you lie... to... me.

A
Everybody they got all kinds of advice
E
They want to tell you just how you should live your life.
A
But who exactly am I supposed to believe?
E
Am I supposed to let you walk away from me?

A
I know it's coming; I can feel it in my bones
E
This is information you already know
A

Even if it s only temporarily

E

Give the illusion tonight you belong to me

E
