

Gasoline Serpent
DeVotchKa

Gasoline Serpent - Devotchka

Tabbed by: Dirax

--

Notes:

--

Sadly enough, there are no tabs for Devotchka s first album, Super Melodrama, nor is any footage from gigs.

This is my first tab, tried to figure this one out when bored, chords may not be correct. It sounds alright when played to the song s rhythm, so listen to that to figure it out.

Intro:

C-F

(Whistle) 3x

C-F-C

Verse 1

C

In the gutter gasoline

F

Suffocates our self esteem

C

Desensitize, desensitize me

F

Hopeless hearts anesthetize me

C

G

C

Your voice will light our streets when you are gone

C-F

Verse 2

C

This town is a garbage pile

F

If it takes us down, We ll go out in style

C

She swears she s seen god, And we re all forsaken

F

Hide the guitars, man, There s windows breakin

C

G

C

There is blood spilled on our streets when You are gone

C

G

C

The blood will cleanse our streets when You are gone

Bridge

Em

And I m left screaming on this thoroughfare,

F#m

Lies a perfect angel with scattered hair

Em

you tell me it s been lurking This whole time down there

F#m

Just to carry you away from here

Verse 3

C

In the gutter gasoline

F

It shimmers like a serpent queen

C

Junk yard dogs bring angel choirs

F

my fortune caught with pipes and wires

C

G

C

I worship at their feet when you are gone

C

G

C

I worship at their feet when you are gone

Outro 2x

C F

(ah-Ooh part) 3x

C-F-C

End on C
