Bm

We re gonna hit them

F#

Hit them where hurts

Bm

Listen for what it s worth

F#

Hi them where it hurts

Bm

They only care, what is it worth?

F#

It was a long long time ago

Bm

You found me naked by the side of the road

F#

You picked me up out of that hole

Bm

mouth to mouth and soul to soul

Te siento conmigo! x2

Bm F#

I swear it s love

it s love that we are dyin gof

it s true

you ll know it s true

when it breaks your heart in two

has it always sounded like this?

My name upon your lips

has it always taken so long?

to get to this part of the song
