## Till The End Of Time DeVotchKa

C E They re just words, they ain t worth nothing C Em Cloud your head and push your buttons C Em G And watch how they just dis-ap-pear C Em G When we re far away from here F And everybody knows where this is heading Αm Forgive me for forgetting G C Our hearts irrevocably combined Star-crossed souls slow dancing Retreating and advancing Across the sky until the end of time C Em Oh who put all those cares inside your head C Em You can t live your life on your deathbed C Em G And it s been such a lovely day Em Let s not let it end this way C Am Like sisters and brothers we lean on each other G C Like sweethearts carved on a headstone C Oh why even bother, it ll be here tomorrow G It s not worth it sleeping alone

C Em G

And look at you and me still here together

C Em G

There is no one knows you better

C Em G

And we ve come such a long long way

C Em G

Let s put it off for one more day
