The Mulatto Song

 by Dewey Cox  

Capo 7

C **F**
 If you’ll permit me I’d like to sing a song about the mulatto

G **C **

Live and let live even if there’s mixed blood that’s my motto

F **G**

 One half Voodoo, one half Wisconsin,

Am

He’ll do your taxes but he won't stop dancin’

F **G**

Slaves holding wipes, halfros with hips

Am

That's the Mulatto

C **F**
 Half Boogie, half uptight, half day and half night mulatto

G **C **

Coffee with cream like a billion at playing the lotto

F **G**
 One whole is good but two halves is better,

Am

Run through the jungle in a powder blue sweater

F **G**
 Listen think twice I say lets be nice to

Am

The mulatto

F **G** **C**
Jive talking sister who don’t move her hips

F **G** **C**
Big hammer, big nail with great golfing tips

F **G** **C**
 Guys who can box and have pool memberships

F **G** **C**
It’s time to come to grips with the mulatto

 C

Mulatto!
