Intro D G EM A

D

At first I didn t know how I would be

EM

Without somebody lovin me

Α

Would I be lost inside?

D

But then I knew no valid love could not fix me

Em

No one could heal that part of me

Α

I m better off alone

Chorus

D

Now I can t fuckin wait to go outside and live my life

Em

Unless I m free

Α

And now im gonna be the man I m meant to be

(Same chords throughout song - D G EM A)

They said if you don t marry your be lonely

All good men raise a family (oh yeah)

Well that s not what I see

In truth some of them they don t seem so happy

They tolerate misery and that is not for me

Chorus

Come on come on come on

Sometimes I think I should get some monogamy

And try to fit into society just be like everybody

(One Problem) I I don t wanna live like them

No I don t wanna be like them

I m the one who must be free

Chorus

Ad libs at end

Why should I buy a book when I can join the library

It don t make no sese to me
