

Inventing Shadows

Dia Frampton

This song is really easy. Like beginner easy, but it's still a good song.
CAPO 4.

(Verse 1)

Em7

It's not surprising it could end like this

Cadd9

Your eyes are open even when you kiss

Em7

You're so distant

Cadd9

So cold, so resistant

Em7

You see the world in only grey and black

Cadd9

Now how could anybody live like that

Em7

Without screaming

Cadd9

Without dying for dreaming

(Refrain)

Em7

Cadd9

And you stare out the window at the passing cars

G

D

And you look at the sky, thank your unlucky stars

Em7

Cadd9

No you're never quite happy right where you are

(Chorus)

G

So you keep on

D

Inventing shadows

Em7

Where there are none

Cadd9

No, there are none

G

Yeah, you keep on

D

Inventing shadows

Em7

Where there are none

Cadd9

You don't even see the sun

Cadd9

Can t you see the sun?

(Verse 2)

Em7

You can t be shocked that I might want to leave

Cadd9

The way you re living s like you re half asleep

Em7

You just drain me

Cadd9

If I go who could blame me?

(Refrain)

Em7

Cadd9

And you stare out the window at the passing cars

G

D

And you look at the sky, thank your unlucky stars

Em7

Cadd9

No you re never quite happy right where you are

G

D

Right where you, with all that you are

(Chorus)

G

So you keep on

D

Inventing shadows

Em7

Where there are none

Cadd9

No, there are none

G

Yeah, you keep on

D

Inventing shadows

Em7

Where there are none

Cadd9

You don t even see the sun

Cadd9

Can t you see the sun?

(Bridge)

Em7

Cadd9

You re so young, so beautiful

G

D

So flawless in my eyes

Em7

Cadd9

Don t you know the world shines

G

D

Every time you smile

D

Em7

Why can't you just smile?

(Chorus)

G

So you keep on

D

Inventing shadows

Em7

Where there are none

Cadd9

No, there are none

G

Yeah, you keep on

D

Inventing shadows

Em7

Where there are none

Cadd9

You don't even see the sun

G

D

Can't you see the sun?

(Outro)

Em7

You dim the lights in the world I see

Cadd9

How I wish I could still believe

D

Time to save me

G

If I go who could blame me
