

**Isabella**  
**Dia Frampton**

Capo 1

(This is my first time doing a chord/tab and I did this by ear so it s probably roughly accurate. Hope it helps anyway!)

**F** **Dm** **C** **F**  
Isabella, Isabella, I heard you crying through the walls  
**F**

What s the matter? What s the matter?

**Dm** **C** **F**  
All the neighbors hear it down the hall

**Dm** **C** **F**  
And I didn t want to be the first to say

**Dm** **C** **F**  
Everyone around here thinks you re crazy

**Dm** **C** **F** **C**  
**Dm**  
And I didn t want to be the first to say you shouldn t stay,  
**F**

Isabella run away

**F**  
All your heroes are your records,  
**Dm** **C** **F**  
You play em loud but I don t mind the noise.

**F**  
Why ya hiding? Why you staying?  
**Dm** **C** **F**  
Maybe you don t think you have a choice.

**Dm** **C** **F**  
And I didn t want to tell you face to face  
**Dm** **C** **F**  
That your mom and dad are straight up crazy  
**Dm** **C** **F** **C** **Dm**  
It s really hard for me to say that you shouldn t stay,  
**F**

Isabella run away

**Dm** **C** **F**  
Don t you be afraid  
**Dm** **C** **F**  
It s never too late  
**Dm** **C** **F** **C** **Dm**  
You re a sleeping tiger, come awake
